The Parish Council does not object to this planning application but the Parish Council notes that there may be more traffic generated by the new development. The Parish Council believes that it may be hazardous for large vehicles turning in and out of an 'unmade' narrow road to and from the A144 by the railway humpback bridge. The Parish Council believes that there have been incidents at this junction in the past. The Parish Council would also like more information regarding the intended use of the new development.

Seconder: Cllr. L. LeLean:

The Clerk reported that he had received a Barclays Bank Letter and that the Pension Re-Enrolment has been completed.

It was noted that a quote from East Suffolk Council Services to cut back trees at a bus stop near Grub Lane for £146-00 plus VAT had been received. Councillors agreed to the quote.
